

Cat Crusade places and cares for abandoned cats and kittens from all over the tri-county area. Before placement, the cats are spayed/neutered, tested for FIV, FeLV and administered Rabies and FVRCP vaccines. In addition, if there are any health issues, whether from injury, malnutrition, or other various illnesses or issues, they are treated before being placed for adoption. We provide care, on average, for 50-80 strays per month. We also post online for adoption and provide foster homes for an additional 20-30 cats/kittens per month, which entails feeding, litter, medications, bedding and housing as well as their vet/medical needs.

Some of our kitties are already located at the adoption center at Petsmart on Stirling Road in the Oakwood Plaza, just East of 95. Smaller kittens are there on weekends only. Adoption showings are 11 am to 3 pm Saturdays and Sundays and by appointment during the week. The adoption fee for most of our cats includes the spay or neuter and vaccines and testing. Specialty cats such as purebreds and specific breed mixes are set at special adoption rates based on the cat. The [Petsmart Release Form is here](#)
